MISSION
The Concord University Foundation, Inc. was established in 1974 as a non-profit 501(c) (3) organization with the mission of aiding, strengthening and furthering the work of Concord University.

Governed by a dedicated board of directors, we are committed to responsible stewardship of the gifts entrusted to us by our many donors. Through the generosity of these alumni, parents, faculty, staff, individuals, foundation and corporate friends, the CU Foundation continues to grow to support the needs of Concord University and its students. Through the generosity of countless donors, the Concord University Foundation now has over $54 million in assets.
Staff Changes

July 1, 2020 - June 30, 2021

The Office of Advancement is announcing several recent staffing changes.

Sarah Lively Turner has been named Vice President of Advancement. Her strong loyalty and dedication to Concord, as well as her career experience, are key qualifications that she brings to this leadership position. Having previously served as Vice President of Advancement in an interim capacity, Sarah was most recently Concord’s Director of Alumni and Donor Relations.

Sarah earned a bachelor’s degree in Business Administration from Concord in 1998 and a master’s degree in Communication Studies from Marshall University.

Along with her background in alumni relations, her professional experience in higher education includes serving as an admissions counselor, a regional statewide campus director, and a director of communication services. She has also taught Communications at Concord as an adjunct instructor. Sarah is a resident of Princeton.

Blake Farmer is the new Director of Alumni and Donor Relations. Blake has worked at Concord for four years, serving as the Manager of University Advancement.

Blake’s fundraising experience and success, and his creative vision and execution of events – including the President’s Ball – are of special note.

This year, his leadership with Concord’s Giving Day resulted in more than $100,000 being raised for the Concord Fund.

Blake received a Bachelor of Science in Business Administration degree with a concentration in Marketing from Concord in 2017 and a Master of Arts in Communication from Liberty University in 2020. He lives in Princeton.

Sierra Browning joined the Advancement team this fall as Advancement Services Coordinator. She earned a Bachelor of Arts in English with an Emphasis in Professional Writing from Concord in 2015.

Sierra brings previous experience in higher education and the non-profit sector to her new position. She works from University Point’s front desk where she greets guests to the building including alumni, donors and members of the campus community. She is also responsible for processing gifts, donor acknowledgments, varied financial reports, and maintaining the alumni and donor databases.

Sierra is originally from Creston, W.Va. in Wirt County, which she says is “the smallest populated county in the state.” She now lives in Peterstown, W.Va.

A memorial gift is a wonderful way to honor a special person while at the same time helping others. Thoughtful memorial gifts made in a loved one’s name are used to help Concord students achieve their academic goals. The Concord University Foundation would like to express our condolences to those that have lost loved ones this year. We are honored that so many of you have chosen to give back with these memorial donations. Each featured name is a friend or loved one that has passed away. The names listed under each of those are the individuals that have made memorial contributions in their honor.

Thank you for allowing us to help keep their memory alive.
