Proposed Agenda:

Meeting was called to order at 3:00pm. Corrections to the draft minutes from last meeting were made and the minutes approved. No additional agenda items were raised (Agenda items 1 and 2).

Agenda Item 3: Microsoft Windows 10 will be installed on all of the computers in the Computer Labs and instructor workstations by August 1, 2017. Individual office (administration/faculty/staff) requests will be scheduled upon request. Jack Yeager asked about the implications for students at the Beckley location.

Agenda Item 4: Microsoft Windows Vista will reach end-of-life on April 11, 2016. Mr. Elliott reported that there should be no machines running Windows Vista on campus. E-mail instructions from Technology Services will precede this event.

Agenda Item 5 & 6: Wi-fi upgrades are continuing. Residence Hall side: South Tower will be completed before students return for the August, 2017 semester. Upgrades to Wilson, Woodell, and Student Center will then be scheduled and completed. The Student Center will have priority, due to new student orientations being scheduled there. Work continues toward improving connection between CU and the Grant House.

Agenda Item 7: Notices regarding Blackboard Maintenance and system unavailability for May 9, 2017 to May 13, 2017 will be emailed out tomorrow from Technology Services

Meeting was adjourned at 3:19 pm. Next scheduled meeting April 12, 2017 at 3:00 pm in Rahall 200.
