

Minutes of the University Technology Committee

April 23, 2014

3:00 pm

Members present: J. Alexander, M. Cork, C. Elliott, R. Hallows, D. Hill, E. Jewell, C. Khanlarian, C. Lamb, T. Philpott, J. Smith.

Meeting began at 3:03 pm.

Minutes of April 9, 2014 meeting were approved with no corrections.

The proposed agenda was approved with no revisions.

Discussion Items:

The majority of the meeting was devoted to the discussion of a voting system to be used by faculty for absentee voting for faculty elections. The committee was not unanimous in a recommendation. The committee agreed that C. Elliott would present a recommendation to the General Faculty Meeting on April 24 and to faithfully represent differing opinion.

The password complexity issue was discussed. Technology Services has developed a password reset application that does not yet fully support Active Directory and MyCU. Phase two of the password reset app should resolve the difference.

Announcements:

Banner upgrades scheduled for May 3 and 4.

Search Committee established for Information Systems Technician position.

The committee agreed this would be the last meeting until August 27.

The meeting adjourned at 4:04 PM.
