Helpful Hints

- For the Natural Sciences General Education courses, Wellness Education students should take BIOL 101 and GEOG 200.
- Classes with field placements include: EDUC 210, EDUC 305, and EDUC 306.
- Courses marked with an asterisk (*) require admission to the Teacher Education Program.
- Semester 6 Landmark—Students should take PLT and Praxis II during this semester.
- Semesters 7 & 8—Year-Long Residency. The wellness program participates in a year-long residency model. This model enables teacher candidates to spend a year in the same classroom with the same students and cooperating teacher. This model has proven to deepen the professional relationships within the school as well provide teacher candidates with more practical experiences over longer periods of time. Our candidates report feeling more effective and confident during their first year of teaching.
