ARTICULATION AGREEMENT
BETWEEN MARSHALL UNIVERSITY AND
CONCORD UNIVERSITY FOR ACADEMIC PROGRAMS
LEADING TO A DOCTOR OF PHARMACY DEGREE

Marshall University and Concord University, in order to facilitate the efficient transfer of students between the two institutions, hereby establish an articulation agreement to promote and facilitate the educational opportunities afforded students interested in pursuing a pharmacy education. Such courses may be used to fulfill portions of both a general education curriculum and the requirements of a baccalaureate program of study and be eligible for application to the Doctor of Pharmacy degree.

Students who are in good standing and meet the admissions requirements are eligible to matriculate at Marshall University and receive full credit for college-level coursework completed at Concord University and other regionally accredited colleges or universities. Should a student transfer to Marshall University before the completion of a Bachelor’s degree at Concord University, Marshall University will monitor the student’s progress and send an official transcript to Concord University once the student has completed two semesters of the Pharm.D. curriculum (Appendix D). As appropriate, Concord University may then use the combined coursework of the two schools to issue the student a Bachelor’s degree.

The courses listed in the following articulation curriculum are the requirements for students who intend to earn a Concord University Chemistry – Pharmacy Option degree. Marshall University and Concord University agree to monitor and support the provisions of this agreement to ensure program consistency and quality, and transferability of the benefit of the students of both institutions.

This articulation agreement supplements all currently existing articulation agreements which will continue to serve as specialized links between the two institutions. Marshall University and Concord University agree to renegotiate this agreement as necessary due to changes in curriculum or graduation requirements implemented by either institution. This process will be the responsibility of the chief academic officer at both institutions. This agreement may be terminated upon thirty (30) days written notice to the other party: provided that the students currently pursuing a degree shall be permitted to complete the program. Students pursuing a Doctorate of Pharmacy degree through this articulation agreement will be bound by the curriculum requirements in effect at the time they are officially accepted into the articulated program. The attached curriculum requirements dated November 19, 2015, will be in effect until officially changed and agreed upon by both institutions.

The terms of this agreement are hereby approved on November 19, 2015, by the respective administrations of the two schools.
H. Glenn Anderson, Jr., Pharm D.
Associate Dean of Academic
and Curricular Affairs
School of Pharmacy, Marshall University

Peter Viscusi, Ph.D.
Vice President and Academic Dean
Concord University

Terri Moran, M.S.
Assistant Dean of Student Affairs
and Assessment
School of Pharmacy, Marshall University

W.R Winfrey, Ph.D.
Division Chair of Science,
Mathematics, and Health
Concord University

November 19, 2015
MU & CU Articulation Agreement
APPENDIX A: MATRICULATION PROCESS

Students attending Concord University who elect to pursue the Pharm.D. degree program at Marshall University will have completed all courses listed in Appendix B and Appendix C prior to matriculation within the pharmacy program through Concord University or have received transfer credit for courses completed at peer institutions. Upon transfer to Marshall University School of Pharmacy (MUSOP), the listed courses will be accepted by Marshall University as meeting the required pre-pharmacy course requirement indicated for that course.

As part of the articulation agreement, MUSOP agrees to give guaranteed admission during each admission cycle to one or more Concord University students who select to transfer to the Pharm. D. program and meet the minimum transfer requirements. The minimum transfer requirements are:

1. Selection for receipt of guaranteed admission by the Concord University Pre-Health Advisory Committee. Concord University will submit a list of students deserving guaranteed admission to the MUSOP Office of Student Affairs prior to August 1 of each year;

2. Minimum grade point average of 3.2 at Concord University averaged over all courses listed in the articulation agreement;

3. PCAT greater than 50 and completed within prior 12 months; PCAT scores must be submitted to Marshall University School of Pharmacy through PharmCAS;

4. Completed application for early decision before September 1 to the Marshall University School of Pharmacy through the online Pharmacy College Application Service (PharmCAS, at http://www.pharmcas.org);

5. Submission of the Marshall University School of Pharmacy supplemental application and all required applications fees before September 1;

6. Successful completion of an on-campus admissions interview.

The MUSOP admission cycle is a three-stage process that includes initial applicant screening, on-site interview, and the admission decision. Approximately 40% of applicants will be offered an on-site interview during any admissions cycle. All students completing prerequisite course work through Concord University who meet or exceed the minimum requirements as identified above will receive preferential treatment during the MUSOP admission cycle. Receipt of preferential treatment absolves Concord University students who meet the requirements of this articulation agreement from the initial applicant screening and guarantees the student an onsite interview.

---

1 Concord University students seeking admission to the MU pharmacy program are advised to apply after completion of the Sophomore Year of the Chemistry -Pharmacy Option Curriculum.
2 A minimum of 36 credit hours, not including the pharmacy internship (CHEM 450), must be completed at Concord University.
3 Concord University will receive a minimum of 1 guaranteed seats for students matriculating to MUSOP. More student seats may be available within any year depending upon use of guaranteed seats allocated to peer institutions.
4 Receipt of guaranteed admission requires that the student apply for early decision to MUSOP and successful completion of an onsite interview.

APPENDIX C: ADDITIONAL CURRICULUM REQUIREMENTS FOR CONCORD UNIVERSITY STUDENTS MATRICULATING TO MARSHALL UNIVERSITY'S SCHOOL OF PHARMACY THAT WILL RESULT IN RECEIPT OF A BACCALAUREATE IN CHEMISTRY–PHARMACY OPTION DEGREE

CHEMISTRY

CHEM 341   BIOCHEMISTRY
CHEM 347   BIOCHEMISTRY LAB
CHEM 351   ANALYTICAL CHEMISTRY
CHEM 357   ANALYTICAL CHEMISTRY LAB
CHEM 450   PHARMACY INTERNSHIP (2 SEMESTERS)\(^5\)

GENERAL STUDIES

UNIV 100   UNIVERSITY 100
ENGL 203   WORLD LITERATURE I
ENGL 204   WORLD LITERATURE II
COMM 101   FUNDAMENTALS OF SPEECH

TWO COURSES FROM:

ART 101A   INTRODUCTION TO VISUAL ARTS
MUS 101A   INTRODUCTION TO MUSIC
THEA 102A   INTRODUCTION TO THEATRE

P ED 101M   PERSONAL WELLNESS

FOUR COURSES WITH AT LEAST THREE DISCIPLINES REPRESENTED FROM:

ECON 201   MACROECONOMICS
ECON 202   MICROECONOMICS
GEOG 101   WORLD CULTURAL GEOGRAPHY
GEOG 200   PHYSICAL GEOGRAPHY
GEOG 250   REGIONAL STUDIES
HIST 101   HISTORY OF CIVILIZATION TO 1600
HIST 102   HISTORY OF CIVILIZATION FROM 1600
PHIL 101   HISTORY OF IDEAS I
PHIL 102   HISTORY OF IDEAS II
POSC 101   POLITICAL SCIENCE
POSC 104   AMERICAN FEDERAL GOVERNMENT
PSY 101    GENERAL PSYCHOLOGY
PSY 200    BASIC LEARNING
SOC 101    PEOPLE AND ENVIRONMENT
SOC 310    CULTURAL ANTHROPOLOGY

*Students matriculating to the Marshall University School of Pharmacy will be eligible for graduation from Concord University (BS in Chemistry – Pharmacy Option) upon completion of the P1 academic year of pharmacy curriculum (Appendix D) and a total of 120 credit hours. Students will file for graduation during the spring semester of their first year at Marshall University. Graduation is contingent upon receipt of official transcripts.

\(^5\) Courses taken during the internship year, off-campus residency in Pharmacy School, will occur at Marshall University. Students will register for CHEM 450 Pharmacy Internship at Concord University; however Concord does not charge tuition or fees during the internship year.
