

ProEthica Course Summary:

Module 1: Introduction

This module explores the relationship between the dispositional, ethical and regulatory frameworks as they apply to educator decision making and conduct.

Module 2: The Professional Educator

This module identifies your responsibilities to the profession.

Module 3: The Professional Educator and the Student

This module identifies your responsibility to establish and maintain appropriate verbal, physical, emotional and social boundaries with and regarding students.

Module 4: The Professional Educator and the School

This module addresses how you promote effective and appropriate relationships and interactions with members of the school community while maintaining professional boundaries in and outside of the school building.

Module 5: The Professional Educator and the Community

This module identifies how you must reflect the values of the profession as members of the community.

Module 6: The Professional Educator and Technology, Digital and Social Media

This module covers appropriate use of all technologies in teacher interactions with students, parents and colleagues, including confidentiality in the use of technology and how to identify and address inappropriate use of technology.

Module 7: Ethical Decision Making for the Professional Educator

This module provides a simulation-based activity in which you will examine long-term consequences of short-term decisions. Completion of this module will require you to apply what you have learned in previous modules as well as in this one.
