The Bachelor of Science in Health Science allows a student to gain an education in an area of emphasis that most closely aligns with their professional, academic, and career goals. The degree offers concentrations in: Pre-Athletic Training, Exercise Science, Pre-Physical Therapy, or Pre-Professional Studies. The Health Sciences degree prepares students for a multitude of career paths. By working with your advisor, we can help you find the path that is correct for you. These emphases can prepare students to enter physical therapy school, the health and wellness workforce, or a health professional graduate program.

**Available Emphases:**
- Pre-Athletic Training
- Exercise Science
- Pre-Physical Therapy
- Pre-Professional Studies

**Career Opportunities:**
- Athletic Trainer
- Rehabilitation Specialist (PT, OT, SLP)
- Physician’s Assistant
- Pharmacy
- Dentistry
- Exercise Scientist/Specialist
- Public Health
- Health IT
- Fitness & Wellness Professional
