Mass Communication is a dynamic, exciting major that has a variety of areas for you to explore as you get ready for your future career. Mass Communication prepares students for a variety of careers in the media markets throughout the country. Students gain experience in both radio and television with both behind-the-scenes and in the spotlight opportunities. Sometime in your Junior or Senior year, we will work with you to find an Internship in your field to help give you a leg up as you search for a job. The goal of a multimedia communication major is to get a job in radio or television in one of the many media markets throughout the country.
