

POLITICAL SCIENCE

The Political Science program is designed to stimulate in students a greater awareness and understanding of political institutions, processes, relationships, and their underlying principles. We strive to generate in students the requisite interest and skilled civic participation that are so crucial to the maintenance of a just, responsible and democratic society. In addition, the program is designed to prepare students for graduate study and law school.

POTENTIAL CAREERS:

- Campaign Advisor**
- Foreign Service Officer**
- Government Employee**
- Legislative Staff Member**
- Non-Profit Worker**
- Policy Analyst**
- Teacher (Civics, Government)**

This program will also prepare you for graduate school in Political Science and related fields!
