

COLLEGE PROGRAM BASIC SERVICES AND FEES

The College Program supports students in learning skills that will help them earn a college degree, prepare for employment in their chosen field, and live a productive, independent, and quality life.

- The program fee for The College Program for Students with Autism Spectrum Disorder is **\$4,500** per semester.
- The summer program fee is **\$1,500**.
- Social skill building groups, including “Discovery Group” and “Health and Wellness Group” is **\$500** per semester.
- The 3-day Employment Preparedness Workshop fee is **\$500**.

Fees must be paid in full before the start of each semester. A Billing Statement, outlining the terms of the payment will be sent out to the responsible party.

Checks should be made payable to **Marshall University**, and mailed to:

Rebecca Hansen, Director of Campus-Based Services
The WV Autism Training Center
