The **Bachelor of Science in Education, Elementary K-6** degree prepares teacher candidates to teach in the K-6 classroom.

Elementary Education majors are prepared in all subject areas taught in the K-6 classroom. Concord's Teacher Education Program is designed to provide teacher candidates with opportunities to gain the critical knowledge, skills, and dispositions needed to teach all children.

MILESTONE COURSES

Courses marked as Milestone Courses are crucial for staying on track to complete your degree in four years. Take them in the recommended semester to stay on track! If you see a recommended minimum grade, this is the grade you are required to have in order to pass.

LANDMARKS

Points where you see a landmark icon on the four-year plan indicate you have reached a point of action outside regular coursework! See the Helpful Hints for information on each landmark.

Helpful Hints

- Courses marked with an asterisk are part of the Elementary content area, and will also be counted for General Education Program coursework. Other majors allow for flexibility in General Education coursework, but the Elementary Education Program does not; students must take the designated courses.
