I. Terms of Agreement

The agreement, upon affixation of the appointed signatures from both institutions (namely the President and Academic Vice President from Concord College and the Mercer County Vocational Director) shall remain in effect until revised or terminated as outlined in Section III.

II. Nature of Articulation

Upon admission to Concord College and completion of thirty (30) semester hours of coursework with a minimum GPA of 2.0, students who have completed the Food Preparation/Management program at the Mercer County Vocational Technical Center with a grade of "B" or higher may request Concord College credit for this training. At the discretion of said faculty, a competency examination may be required. Students whose requests are approved will receive six (6) semester hours credit.

The Travel Industry Management faculty may also teach courses in Princeton at the Vocational Technical Center at times agreed upon by both schools involved. The courses will be college-level courses.

A committee of faculty members from the Travel Industry Management Program and a representative from the Mercer County Vocational Technical Center will annually evaluate the Food Preparation/Management program at the Mercer County Vocational Technical Center.

Either party to this agreement may request meetings to discuss revisions or additions to the program. These requests shall be acted upon in a timely manner.
