The **Bachelor of Science in Nursing** degree prepares students for a variety of entry level nursing careers and provides an educational foundation necessary to be able to sit for the Registered Nurse National Council Licensure Examination (RN-NCLEX). CU's nursing curriculum will provide students with a background in nursing knowledge, theory, and research. It will also focus on both direct and indirect patient care for individuals, families, groups, communities, and populations.

### MILESTONE COURSES

Courses marked as *Milestone*

*Courses* are crucial for staying on track to complete your degree in three years.

Take them in the recommended semester to stay on track! Sections with a recommended minimum grade is the grade you need to earn to have the best chance for success! Grades marked with an asterisk (\*) are required to pass.

### LANDMARKS

Points where you see a landmark icon on the four-year plan indicate you have reached a point of action outside regular coursework! See the Helpful Hints for information on each landmark.
