STUDENT LIFE

EXPLORING WV Starts with YOU!

Concord University and the area surrounding campus are the very definition of Wild and Wonderful West Virginia. We are not far from Pipestem State Park's zipline experience and its Adventure Lake & Splash Park. **Our students receive special rates and programs!**

In the opposite direction, you'll find skiing at Winterplace or Snowshoe and opportunities in between for white water rafting, hiking, biking, hunting, fishing, camping, and more.

HOUSING & RESIDENCE

College can be both an exciting and adventurous time in your life. Outside of the classroom, you will have the opportunity to participate in numerous activities and meet new people. While living in the residence halls, you will make friends and memories that last a lifetime.

Housing and Residence Life at Concord University provides safe and well-maintained facilities that create inclusive environments for student development and success. North and South Towers Residence Halls offer suite style rooms that share a bathroom.

GUIDANCE Beyond the Classroom

THE CENTER FOR ACADEMIC AND CAREER DEVELOPMENT

The Center for Academic and Career Development (CACD) works with students individually to help them achieve their academic, personal, and career goals. We collaborate with each student to develop strong study skills and enhance academic success. We also help with resume writing, interview skills, workshops, job searches, and career/personality surveys.

The CACD provides direct and referral services for tutoring, advising, financial services, and housing.

INTERNATIONAL STUDENTS CLUB

The purpose of the International Students Club is to promote multiculturalism on campus and to give students a chance to meet people from different cultures. Making international students feel at home while attending Concord is one of our larger goals.

Membership is open to all students and faculty of Concord University. All CU international students are members of the International Club.
