The **Master of Social Work** degree prepares graduates for advanced generalist social work practice with a specialized area in rural practice. The MSW Program is built upon a systems approach and the strengths perspective, delivered in a manner that meets the needs of students that live and/or work primarily in rural areas.

If you are starting in the Advanced Standing program, the progression plans starts on page 2.

Practicum Courses

You must complete a practicum application before you can register for any practicum course. The Practicum Application can be found on the [Practicum Education page](#).
