Concord University Campus Hazing Transparency Report

Reporting Period: December 1, 2025 – July 1, 2026

Publication Date: September 25, 2026

Overview

In accordance with the Stop Campus Hazing Act, Concord University is required to publish a biannual Campus Hazing Transparency Report that includes all institutional findings of responsibility for hazing involving recognized student organizations.

This report contains all findings of responsibility issued during the reporting period.

Summary of Hazing Findings for This Reporting Period

There were no institutional findings of responsibility for hazing involving any recognized student organization during this reporting cycle.

No student organization was investigated or sanctioned for hazing under the institution's Student Code of Conduct or applicable state/federal laws.

Required Statement on Individual Student Records

While Concord University investigates and adjudicates concerns involving individual students when necessary, the Stop Campus Hazing Act requires public reporting only for findings involving student organizations.

No qualifying cases occurred during this period.
