Intent to Plan an Emergency Conditions Policy CU-HR-NEW

30 Day Comment Period Notice:

Consonant with Series 4 (Rules, Guidelines and Other Policy Statements by Governing Boards) and Concord University Policy No. 11 (Adoption, Amendment, and Repeal of Policies- Rule on Rules), the Concord University Board of Governors approved the Intent to Plan an Emergency Conditions Policy on April 14, 2026.

To align with other similar-situation institutions in West Virginia and our surrounding states, the University seeks to address campus operations during adverse weather and other emergency-related events/conditions and provide a pre-determined plan for continuity. This policy will provide 3 designated Conditions the university will operate under depending on the weather and/or emergency-related event and its impact to in-person operation versus remote work and learning opportunities as well as matters resulting in closure.
