# **Pre-Professional Studies**

## **Bachelor of Science**

#### Semester 1

Course	Credits	Grade	<b>~</b>
ENGL 101: Composition & Rhetoric I	3	С	
MATH 105: Elementary Statistics	3		
BIOL 121/L: Foundations of Biology I w/ Lab	4	С	
HS 101: Introduction to Health Sciences	3		
PSY 101: General Psychology	3		
UNIV 100: CU Foundations	1		
	17		

Semester 2

Course	Credits	Grade	<b>~</b>
ENGL 102: Composition & Rhetoric II	3	С	
HS 201: Emergency Care	1		
General Education Course	3		
General Education Course	3		
General Education Course	3		
General Education Course	3-4		

16-17

#### Semester 3

Course	Credits	Grade	✓
BIOL 249: Medical Terminology	3		
BIOL 335/L: Anatomy & Physiology I (with Lab)	4	С	
PSY 229: Health Psychology	3	С	
Pre-Professional Plan Course	3-4		
General Education Course	3		

16-17

#### Semester 4

Course	Credits Grade	~
BIOL 336/L: Anatomy & Physiology II (with Lab)	4 C	
Pre-Professional Plan Course	3-4	
Pre-Professional Plan Course	3-4	
SOC 101: Introduction to Sociology	3	

13-15

The Bachelor of Science in
Health Sciences—PreProfessional Studies degree
prepares students for entry into
a Professional School of their

choice (satisfying the entrance requirement for said school is up to the individual student). Students are presented with the classroom knowledge, hands-on skills, and practical experiences to assist them in achieving satisfying careers and making positive contributions to their profession and communities.

Courses marked as Milestone Courses are crucial for staying on track to complete your degree in four years. Take them in the recommended semester to stay on track! If you see a recommended minimum grade, this is the grade you need to earn to have the best

chance for success in this degree! Grades marked with an asterisk are required to pass.

**MILESTONE COURSES** 

LANDMARKS

Points where you see a landmark icon on the four-year plan indicate you have reached a point of action outside regular coursework!

See the Helpful Hints for information on each landmark.

# Helpful Hints

- Semester 1—Must have a composite ACT score of 18 or above to take BIOL 121.
   Otherwise, you will take BIOL 101: Biology: Human Body.
- Semester 1—ACT/SAT scores determine mathematics placement.
- Semester 2 Landmark—During Semesters 1 & 2, students should identify a professional/graduate school of interest. This choice will guide the creation of your pre-professional plan of study. By the end of Semester 2, students should meet with their academic advisor to develop this plan of study and four-year plan.

# 156Finish

### Semester 5

Course	Credits Grade	<b>~</b>
H ED 305 Human Disease & Prevention	2	
HS 301: Public Health Epidemiology	3 C	
Pre-Professional Plan Course	3-4	
Pre-Professional Plan Course	3-4	
HS 401: Research in the Health Sciences I	2	
	40.45	

13-15

#### Semester 6

Course	Credits Grade	<b>~</b>
HS 304 Principles of Nutrition and Weight Management	2	
Pre-Professional Plan Course	3-4	
Pre-Professional Plan Course <i>or</i> Elective/Minor	3	
Elective/Minor	3	
Elective/Minor	3	

14-15

#### Semester 7

Course	Credits Grade	<b>~</b>
General Education Course	3	
Pre-Professional Plan Course <i>or</i> Elective/Minor	3	
Elective/Minor	3	
Elective/Minor	3	
Elective/Minor	3	
	15	

#### Semester 8

Course	Credits Grade	<b>~</b>
HS 415: Community Health & Health Promotion	2	
HS 402: Research in the Health Sciences II	2	
General Education Course	3	
Elective/Minor	3	
Elective/Minor	3	
Elective/Minor	3	
	15	

#### **ADVISING**

When you choose to pursue this degree, you will be assigned an advisor who is an expert in the field of Health Sciences. This advisor can help you with course selection, career planning, resume building, and help you with tracking your path to degree completion.

#### **CAREERS**

Physician, Dentist, Optometrist, Pharmacist, Occupational therapist, Speech Language Pathologist, Audiologist, Nutritionist, Veterinarian, Epidemiologist, Public Health

#### STUDENT ORGANIZATIONS

Various

#### **COMPLEMENTARY MINORS**

Various

# Helpful Hints

- Your Pre-Professional plan of study will consist of 24 hours of coursework (at least 12 hours of upper level courses) from a minimum of two discipline areas (e.g. biology, chemistry, physics, psychology, sociology, social work, etc.).
   You will work closely with your advisor to develop this plan of study.
- Students completing 4 hour Pre-Professional Plan courses should adjust course distribution accordingly to ensure full-time enrollment and financial aid eligibility for their entire degree.
- Semester 5 Landmark: By the end of semester 5, students should have completed 25-50 hours of clinical observation in your vocational field of choice.
- Take the admissions exam required (MCAT, DAT, OAT, GRE, etc.) to begin the admissions process to professional school of choice.
