

GEAR UP FOR GREATNESS 2025

FREE Career Exploration Camps for rising 9th & 10th graders

JUNE 4-5

Vital Path

Your first step toward an exciting and rewarding career in healthcare by engaging in hands-on interactive activities, simulations, and demonstrations led by college instructors to learn how medical fields contribute to patient care.

JUNE 9-10

West Virginia Adventure

Raft the upper New River with expert guides while learning about the nature and history of the area, including hydrodynamics and the physics of water. Spend an additional day discussing careers in hospitality and tourism from the catwalk at 876 feet high on the New River Gorge Bridge.

JUNE 16-17

All Torqued Up!

Repair high-tech vehicles while being immersed in a hands-on and interactive environment. Students will have the option to change the oil and rotate the tires on their parent's vehicle.

JUNE 16-17

Sewing with Fire

Ignite your creativity and spark your future by exploring the world of welding. This hands-on experience will introduce you to the exciting world of using metal for function and art.

JUNE 23-24

Innovators of Tomorrow

Unlock your potential and dive into the exciting world of robotics! Build, code, and compete with cutting-edge technology as you create robots, solve challenges, and gain valuable skills for the future.
