Revised CU-IT-40: Acceptable Use of Information Technology Policy

Consonant with Series 4 (Rules, Guidelines and Other Policy Statements by Governing Boards) and Concord University Policy No. 11 (Adoption, Amendment, and Repeal of Policies- Rule on Rules), the Concord University Board of Governors approved the Intent to revise the Acceptable Use of Information Technology Policy on April 15, 2025.

In reviewing this policy that was last revised in 2016, the Security Council found that the policy is out of date and needs to be updated. We found that it does not cover technology changes that have occurred since 2016.

If you have comments or suggestions about what should be included in this policy, please forward these suggestions or comments, preferably electronically, to presidentmeighen@concord.edu or lwoolwine@concord.edu by **4:00p.m. Friday, October 10, 2025.**
