

SECONDARY EDUCATION

The Secondary Teacher Education Program (TEP) prepares future educators to become effective teachers in , secondary classrooms. Concord's TEP is designed to provide teacher candidates with opportunities to gain the critical knowledge, skills, and dispositions needed to teach all children. We take a personal approach to providing the highest quality education that is guided by research in best practice. The Teacher Education Program purposefully integrates fieldwork and coursework to prepare our teacher candidates to meet the needs of the ever-changing classroom.

The TEP also prepares future educators, specialists, and administrators at the graduate level through our Master of Arts in Teaching program and Master of Education program.
