CONCORD UNIVERSITY PARENTS CLUB

June 2016

Dear Parents,

Greetings and welcome to all new and continuing CU Parents! We hope you are having an enjoyable summer! This edition of *The Scoop* relays important information to help plan for a successful 2016-17 academic year, including the academic schedule, announcements, and services.

Please encourage your students to **check their CU email regularly** (at least three times/week) since this is the main way we communicate with your student. Some information is also sent via U.S. Postal Service, so it's important that we have a current permanent mailing address on file. We want to be certain students do not miss valuable messages from departments and faculty/staff.

Many fun and educational events are planned for Fall 2016. We encourage students and parents to stay informed via the Upcoming Events calendar and University News on the [Concord homepage](http://www.concord.edu/) (<http://www.concord.edu/>) and of athletic events via the [Athletics webpage](http://www.cumountainlions.com/) (<http://www.cumountainlions.com/>). As you'll see, there's a lot happening on The Campus Beautiful!

Don't forget to sign up to receive CU Parents Club text messages. These short texts will include important Concord University deadlines, reminders, and events. To join you can visit www.remind.com/join/cuparents or text the message "@cuparents" (without quotes) to (304) 241-2045.

We welcome your comments and questions, and hope to CU soon!

On behalf of the Parents Club, best wishes and peace,
Marjie Flanigan
Vice President of Student Affairs & Dean of Students

Students & Families Affected by June 2016 Floods

Concord University extends our heartfelt support to our fellow West Virginians affected by the June 2016 floods. Some of our students, staff, and faculty have been directly affected. To assist in clean-up efforts, Concord launched a collection drive for June 27 & 28, with supplies delivered to the United Way's Beckley location on Wednesday, June 29. Many members of our CU family have volunteered time, money, and supplies to help our struggling communities. If you or your student have questions or concerns because of flood-related issues, please contact the Office of Student Affairs (studentaffairs@concord.edu, 304-384-6035) or the Academic Success Center (asc@concord.edu, 304-384-6074).

Announcements from the Business Office

Fall 2016 bills will be generated the weeks of June 27th, July 18th and August 1st. Please review the bill(s) for accuracy and follow the instructions regarding Confirmation of Attendance and payment. Please remember these are two different processes. Payment is due the first day of the term, August 15th. Should you wish to utilize the payment plan option, the first payment is due July 20th. See the billing statement for more information. The Business Office will, as is past practice, send reminder emails for Confirmation of Attendance, check change distribution, and book purchases through financial aid throughout July and August. Students will receive MyCU emails for details.

Announcements from the Financial Aid Office

Accepting Awards:

- Grants & Institutional Scholarships – NO action required.
- Private Scholarships – Send copies of outside/private scholarship awards or checks to the Financial Aid Office
- Direct Subsidized/Unsubsidized Stafford Loans:
 - The student (and parent for PLUS loans) must complete a Loan Acceptance form through Financial Aid in MyCU, Resources and Forms at concord.edu/financialaid, or the Financial Aid Office.
 - First-time borrowers must complete Entrance Counseling and sign a Master Promissory Note (MPN) at studentloans.gov. NOTE: Loans cannot be disbursed until 30 days into the semester.

The Department of Education chooses 30% of FAFSA completers to verify their information. If your student is chosen for verification, he/she will receive a letter with more information and directions. The letter will be sent every three weeks until the documentation has been completed.

Please read the Satisfactory Academic Progress (SAP) policy to be familiar with the impact withdrawing from and failing classes can have on receiving financial aid. Colleges are required to have a Satisfactory Academic Progress (SAP) policy to determine if students are meeting a grade point average (GPA) requirement and completion ratio—or number of hours earned compared to number of hours attempted. This ensures that students stay on pace to graduate. Concord's SAP policy is located [HERE](#).

If you have questions, please contact the office at finaid@concord.edu or 304-384-6069.

FERPA Release Needed to Allow Parents/Others Access to Information

In order for Concord University to discuss a student's academic record—including student account information—with a third party (e.g. parent, spouse, employer, etc.), the student must provide authorization for us to do so. CU has created an easy way for students to authorize information release.

Students should simply go to the [MyCU homepage](#) and click on FERPA release. Completing a FERPA release early ensures that it is in place whenever it is needed. Below are step-by-step instructions:

1. Go to the [MyCU homepage](#); Click on FERPA Release button
 2. Student enters MyCU information, as requested (Username & Password)
 3. Student completes the form, assigning a PIN number for the individuals to whom he/she is granting permission for release of indicated university information. Click "Add User."
 4. Student provides the PIN number to the person(s) to whom he/she is allowing information access.
- NOTE: Information will not be released to an authorized individual without the person knowing the PIN. This is for the student's protection.

Please see the Academic Catalog regarding Concord's FERPA policy.

Microsoft Office ProPlus For Students

Concord University is a member of Microsoft's Student Advantage Program where currently enrolled students are eligible for a free license to download and use Microsoft Office Professional Plus. This license is automatically assigned upon enrollment at CU and remains until withdrawal or graduation. Students can install on up to 5 machines, windows or mac, as well as use the mobile versions of Office Mobile. After withdrawal or graduation, the license is removed and the software enters a reduced functionality mode limiting it to viewing or printing only. Graduates can visit the site OFFICE 365 EDUCATION, enter their @mycu.concord.edu email address and get the license re-instated. Installation instructions, FAQ, and other information on Office ProPlus is located at <http://www.concord.edu/office365>

DegreeWorks

Concord University has a web-based tool for students to stay on track to graduation. Through DegreeWorks, students can monitor progress towards a degree at any time. A DegreeWorks audit is a comprehensive academic history record; it includes transfer credit, currently enrolled courses, and courses needed to complete the degree. Grade point average can also be calculated through the GPA Calculator and students can check out other majors under the "What If" tab. Access DegreeWorks under the "Student" tab in MyCU. For more information, click [HERE](#).

Online Access to Course Syllabi

Concord University offers online access to course syllabi. A course's syllabus can be accessed online through the hyperlink in the course title on the "Seats Taken" webpage. The webpage can be accessed at <https://apps.concord.edu/schedules/seatstaken.php> or by going to www.concord.edu and clicking on Current Students -> Courses, Catalogs & Registration -> Courses Offered (Seats Taken). This is a wonderful tool for students to use when they have misplaced a syllabus or need to access it remotely.

Student Loan Help: CU Student Loan Dashboard!!

To help students stay informed and manage their loan debt, Concord University created a Student Loan Dashboard. The Dashboard provides a picture of a student's federal loan status, including the amount borrowed to date, potential repayment amount, borrowing limits, and percentage of academic program completed.

All students are encouraged to become informed consumers, particularly about how much they have borrowed and the importance of student loan repayment. While student loans can be an excellent way to help finance an education, **students are cautioned to only borrow the minimum amount needed.** Unlike grants, loans must be repaid, with interest.

To access the Student Loan Dashboard:

- Log into MyCU
- Click on the Student Tab
- Click on Student Loan Dashboard

For most students, the federal loan program is their first encounter with borrowing and establishing credit. Failure to repay student loans can result in negative consequences for both the student and institution. For students, this might entail having paychecks and/or tax refunds garnished (taken directly from a paycheck/refund); a poor credit rating, which hurts future borrowing and increases the amount of interest charged on future loans and credit cards; inability to obtain future financial aid; and other penalties. Institutions are penalized when students default on their loans by having restrictions placed on their current students' ability to borrow and through disbursement restrictions.

Currently, the Dashboard is just for undergraduate students. Under the Dashboard's "Note the Following," some limitations are explained. Students are asked to read these carefully and visit the links provided.

The Dashboard is a collaborative effort of various Concord University departments, including Technology Services, Financial Aid, Academic Success Center, Student Affairs, Academic Dean's Office, and the President's Office. Special thanks are extended to Jamie Boggs, CU alumnus and Director of Application & Web Development, for creating the Dashboard.

For comments and suggestions, please contact Student Affairs at studentaffairs@concord.edu or 304-384-6035. For problems accessing the Dashboard, please contact the Technology Services Helpdesk at cuhelpdesk@concord.edu or 304-384-5291.

Disability Services by Nancy Ellison, Director of Multicultural Affairs

Concord University is committed to working with students with disabilities to assist with academic accommodations that may be necessary and appropriate due to their disability. The Office of Disability Services assists in the coordination of appropriate services, based on each student's individual, documented needs. We also seek to enhance understanding of disabilities and provide support within the campus community. For more information, please see our [Website](#), contact the Office of Disability Services at disabilityservices@concord.edu, 304-384-6086, or stop by Student Center, Room 107.

Drop-In Tutoring (Fall & Spring Semesters)

Concord has an extensive peer drop-in tutoring program available from noon to 9pm in Rahall 102 (GRIP Center). The GRIP Center is open Monday through Thursday, 9am to 9:30pm for studying, study groups, study skills assistance, and as a computer lab. Visit <https://apps.concord.edu/tutoring/> to find the drop-in tutoring schedule. The Fall 2016 link will be updated as soon as the fall tutor schedule is finalized, around the 3rd week of the semester. If you have questions, please contact Academic Success Center (ASC) at 304-384-6298 or Student Support Services at 304-384-6088 for assistance.

Emergency Text Alert System

CU has a text messaging alert system that is used to notify students of security, safety, and weather related notices on campus. Students can easily register for this service by going to <http://sms.concord.edu/>. If you have any questions, please call the IT help desk at ext.5291 or by email at cuhelpdesk@concord.edu

Athens Family Practice Medical Center

Athens Family Practice is a medical clinic available to all Concord University students. Conveniently located just off campus, Concord alumna Dr. Jessica Aliff and her staff are ready to meet students' needs. This is not a drop-in clinic, so appointments must be scheduled in advance. Students must bring their insurance card and student ID. If your student finds that he/she cannot make a scheduled appointment, please avoid a "no show." It takes a possible appointment time away from someone else. For more details regarding physicians and the clinic, click [HERE](#).

Technology Help Desk and Support

The IT Help Desk is Concord University's single point of contact for all technology- related issues for students, faculty, and staff. If a student encounters a problem with anything from accessing email to using Blackboard or Banner, the IT Help Desk is here to offer the technology support needed. We encourage you to look through our [Frequently Asked Questions](#) when a problem arises. If you are encountering an issue that isn't covered in the FAQ, then please contact the IT Help Desk either by phone, email, or in person.

International Student Services

Concord University is home to more than 100 international students representing more than 30 countries. The Host Family Program provides an opportunity for American families to learn about other countries and cultures by having an international student stay in their home during university breaks. In turn, the international student benefits by being able to practice English conversation and learn about American culture first hand in the comfortable, friendly environment of an American home. If you would like more information, please email Nancy Ellison at nellison@concord.edu.
