

Semester 1

Course	Credits	Grade		✓
ENGL 101: Composition & Rhetoric I	3	C*		☐
BIOL 121: Foundations of Biology I (Can be switched with CHEM Course in Semester 2)	4	C*		☐
PSY 101: Introduction to Psychology	3			☐
HS 304: Principles of Nutrition & Weight Mgmt	3			☐
MATH 103: College Algebra	3	C*		☐

16

Semester 2

Course	Credits	Grade		✓
ENGL 102: Composition & Rhetoric II	3	C*		☐
CHEM 101 & 111 General Chemistry I with Lab (Can be switched with BIOL Course in Semester 1)	4	C*		☐
SOC 101: Introduction to Sociology	3			☐
MATH 105: Elementary Statistics	3	C*		☐
General Education Course	3			☐

16

Semester 3

Course	Credits	Grade		✓
GEO 221: Cultural Anthropology Or SOWK 161: Introduction to Social Work	3			☐
BIOL 249: Medical Terminology	3	C*		☐
COMM 101: Fundamentals of Speech	3			☐
BIOL 335: Human Anatomy and Physiology I	4	C*		☐
General Education Course	3			☐

16

Semester 4

Course	Credits	Grade		✓
BIOL 336: Human Anatomy & Physiology II	4	C*		☐
NUR 210: Introduction to Nursing	3	C*		☐
NUR 326: Nursing Trends	3	C*		☐
PHIL 361: Biomedical Ethics	3			☐

13

The **Bachelor of Science in Nursing** degree prepares students for a variety of entry level nursing careers and provides an educational foundation necessary to be able

to sit for the Registered Nurse National Council Licensure Examination (RN-NCLEX). CU's nursing curriculum will provide students with a background in nursing knowledge, theory, and research. It will also focus on both direct and indirect patient care for individuals, families, groups, communities, and populations.

MILESTONE COURSES

Courses marked as Milestone Courses are crucial for staying on track to complete your degree in four years. Take them in the

recommended semester to stay on track! If you see a recommended minimum grade, this is the grade you need to earn to have the best chance for success in this degree! Grades marked with an asterisk are required to pass.

LANDMARKS

Points where you see a landmark icon on the four-year plan indicate you have reached a point of action outside regular coursework! See the Helpful Hints for information on each landmark.

Helpful Hints

Students will need to meet the requirements for formal admission into the nursing program in their third semester including:

- Submission of a formal application to the nursing program;
- Scores at 70% or above on the Assessment Technologies Institute (ATI) Test of Essential Academic Skills (TEAS) pre-entrance exam;
- Cumulative GPA of 3.0;
- Sophomore standing;
- and grade of "C" or higher in all science and math prerequisite courses.

Semester 5

Course	Credits	Grade		✓
NUR 310: Health Assessment	3	C*	🚩	☐
NUR 312: Pharmacology	3	C*	🚩	☐
NUR 314: Nursing Care Fundamentals	3	C*	🚩	☐
NUR 322: Health & Wellness Across the Lifespan: Adult Health I	3	C*	🚩	☐
NUR 318: Nursing Clinical I	3	C*	🚩	☐

Semester 6

15

Course	Credits	Grade		✓
NUR 324: Health & Wellness Across the Lifespan: Adult Health II	3	C*	🚩	☐
NUR 212: Microbiology & Pathophysiology	4	C*	🚩	☐
NUR 316: Community and Rural Healthcare in WV	3	C*	🚩	☐
NUR 328: Nursing Clinical II	3	C*	🚩	☐
NUR 412: Health & Wellness Across the Lifespan: Women, Children, & Families I	3	C*	🚩	☐

16

Semester 7

Course	Credits	Grade		✓
NUR 415: Health & Wellness Across the Lifespan: Women, Children, & Families II	2	C*	🚩	☐
NUR 416: Nursing Clinical III	3	C*	🚩	☐
NUR 418: Legal and Ethical Issues in Practice	3	C*	🚩	☐
NUR 419: Mental Health	3	C*	🚩	☐
NUR 470: Evidence-based Practice & Research I	3	C*	🚩	☐

14

Semester 8

Course	Credits	Grade		✓
NUR 414: Health & Wellness Across the Lifespan: Adult Acute Care & Emergency Nursing	3	C*	🚩	☐
NUR 420: Special Topics in Nursing	2	C*	🚩	☐
NUR 424: Nursing Leadership & Role Transformation	3	C*	🚩	☐
NUR 426: Nursing Clinical IV	3	C*	🚩	☐
NUR 471: Evidence-based Practice & Research II	3	C*	🚩	☐

You're FINISHED!!

ADVISING

When you choose to pursue this degree, you will be assigned an advisor who is an expert in the field of Nursing. This advisor can help you with course selection, career planning, resume building, and help you with tracking your path to degree completion.

CAREERS

Medical Surgical Nursing
Intensive Care Unit (ICU) Nursing
Emergency Room Nursing
School Nursing

STUDENT ORGANIZATIONS

Society of Nursing Majors
Sigma Theta Tau (honor society)
Sigma Zeta (honor society)

COMPLEMENTARY MINORS

Biology
Chemistry
Health Promotion
Psychology
Neuroscience

Helpful Hints

Students in the BSN program are required to complete 120-credit hours from:

1. The General Education Program (39-40 credit hours)
2. The nursing curriculum

to ensure that graduates have knowledge from other fields of study and professions and can adapt and apply this knowledge to professional practice as a generalist nurse.

Additionally, students must earn a "C" or better in all nursing coursework. Students who earn less than a "C" in a nursing class must repeat the course. Failure to earn at least a "C" the second time a course is repeated will result in dismissal from the BSN program. For more information please review CU's [Academic Catalog](#).

Please see your advisor regarding preparation for taking the NCLEX-RN exam.
